EVENT

PROBLEM SOLVING AND IDEATION WORKSHOP

MAKING OF PAPER BAGS FOR KADLAE KAAYI PARASAE BASAVANAGUDI, BENGALURU, KARNATAKA.

The IIC committee had organized making of paper bags for kadlae kaayi parasae event , Basvangudi as a Problem solving and ideation workshop, for students of Department of Civil Engineering, Mechanical Engineering, Electronics & Communication Engineering, Electronics and Electrical engineering, Computer science Engineering and Information Science Engineering on 30TH October 2024 at 11:00am, venue : DB 212 – CADD lab, DB 306 and HB 310.

Mr. G. Nagraj, Indian Plogman & Cupman Founder- The Indian Ploggers Army, Spreading awareness on Solid Waste Management, was the speaker for the event along with their team.

The major objective of organizing this event was to provide the platform for using newspapers to make news paper bags and provide control over the usage of polythene bags and to make the event at Basavangudi eco-friendly by distributing the paper bags to the vendors who in turn will use these instead of plastic bags around the kadlae kaayi parase event.

Outcome of this event was that students were able to understand the problems caused to the environment by using polythene bags, and use eco-friendly sustainable materials.
